

**St. Cecilia's Public School
Junior Wing, Rajouri Garden
Co-Curricular Activities (Apr-May)**

Baisakhi

Baisakhi is a historical and religious festival in Sikhism and Hinduism which marks the New Year and celebration the spring harvest. To inculcate the religious and traditional values the school celebrated the festival with high spirits. Students of Prep class expressed their joy by performing on Punjabi folk songs. Children also participated in the craft work related to it. They enjoyed making crops and dhol.

Lemonade Party

“Summar time Summer time, The Sun shines by the pool, Holiday from school”

Our Cecilian chef's showed their culinary skills by learning and making Lemonade. Little Chef's enjoyed the heat beating refreshing drink made by their hands.

Earth Day

God has blessed us by giving beautiful gift in form of nature. It is our responsibility to nurture and preserve the beautiful creation of God. To develop the sense of care, empathy, belongingness our cecilians participated in different activities like-planting of sapling and promised not to pluck the flowers, leaves. The importance of 3 R's was explained and they presented their creative and aesthetic skills by making wind chimes, lady bugs out of discarded bottles. Animal hang out from discarded CD's, basket with used disposable glasses, scenery with bottle caps, Aquarium and flowers from carton, CD's bottles, animals and scenery from disposable glass and spoon etc... They also took the pledge of not wasting the valuable resources and keeping our surroundings clean. Our Cecilians also gave dance performance on different songs conveying the message of preserving our Mother Earth.

Western Dance

Every child starts tapping on the music and dance, the best way to reenergize one self. The school believes in culminating the cultural values thereby appreciating and adopting other cultures. So, Our young Cecilians showcased their skills by performing on stage confidently and enthusiastically using different props on western songs.

Fruit Salad Party

Inculcating the habit of eating fruits and staying healthy the school celebrated Fruit Day. Children brought their favorite fruit from home and learnt the concept of wash peel and cut. They enjoyed making and relishing fruit chaat with the friends.
