St. Cecilia's Public School

Geekoz IT-Club
Winter Fest

To ignite the spark of innovation and creativity amongst budding Cecilian's, Geekoz IT-Club organized Winter Fest 2018. This comprised of intra class competitions for the students of Primary classes in the last week of January 2018(29.1.18-31.1.18). Students from classes I to V showcased their talent by participating in the competitions with great enthusiasm. Students competed in software such as Typing in wordpad, Painting in MS-Paint and Programming in LOGO, Powerpoint Presentation and scratch Animation. The school Principal Mrs. R. Bhumra and Vice principal gave an opportunity to the students to participate in such competitions. They encouraged the winners by awarding them gold, silver and bronze medals. Some students were also given consolation prizes.
