## **Cecilians shine at MUN-Model United Nations**

Cecilian prodigies made their presence felt at Model United Nations held at K. R. Mangalam World school from 27<sup>th</sup> July to 29<sup>th</sup> July 2018. Mahima Kukal of class XII, Divya Sachdeva and Aditya Ahuja of class XI, Navkiran Kaur, Bhavya Kalra, Bhavya Palta and Samridhi Talwar of class X participated in the prestigious event on MUN which is a concept encouraged by United Nations itself.

Each student was assigned a nation and represented that nation as a delegate representing committees of United Nations. The three day event was an enriching experience for all student members of the team as they gained insight into world politics of contemporary times. The students expressed gratitude towards the school authorities for providing them an opportunity to participate as such a platform.
