

## St. Cecilia's Public School Mother's Day

**"A Mother's love cannot be measured. It's a brilliant gem to be treasured"**

The middle wing of St. Cecilia's Public School celebrated Mother's Day on May 11, 2018. Children celebrated the day by making beautiful card for their mothers. It was a token of love and gratitude. Each card was special and different in its own way. Impressive quotes were written by students for their mothers. They drew and pasted pictures of their mother and even wrote short poems. Students were excited, energetic and enjoyed during the activity.
