

St. Cecilia's Public School

ORIENTATION PROGRAMME

C-12 VIKASPURI

The Orientation Programme for Class Nursery (2018-19) was conducted by Mrs Bhawna Vij (Headmistress) and Ms. Neha M Vohra (School Counsellor). It was conducted on 26th and 27th March 2018 to welcome the students and parents to give a preview of the functioning of the school. Parents were given an insight for the various activities related to academics and the holistic development of the students. With the latest technology smart boards are installed in all the classes to grab the attention of the toddlers and to learn while doing. They were been told about various classes as Yoga, storytelling, Dance and Music, play time is a part of the development of the students. Ms. Neha M Vohra (School Counsellor) shared some guidelines and tools with the parents related to the behavioral issue, discipline, teaching moral values to children. There was maximum participation of the parents in orienting their children towards a successful future.
