

St. Cecilia's Public School Language of Enlightenment

On 26th August, 2018, 'Shlok Writing Competition' was held at St. Cecilia's public school to celebrate 'Sanskrit Diwas'.

The middle wing organized the competition where students wrote multiple 'shlokas' in Sanskrit language which reflected the morals, teaching, beliefs and achievements of our country and one of the most ancient language of world – SANSKRIT. Sanskrit literature is amongst the most enchanting literatures of the world. As we can see that the whole world derives inspiration from Valmiki, Vyas, Kalidasa, Bhasa etc, it is important for us to know the importance and value of this language and propagate this idea in our future generation as well.

Students learn this language on a daily basis in school, so to celebrate the importance of this day, they expressed their thoughts, ideas and beliefs by writing 'Shloks'.

The way gold's purity is tested by rubbing, cutting, heating and pounding, similarly, a person's qualities are tested by gentleness, manner and habits.
