

St. Cecilia's Public School

Marching ahead to achieve success - Learning Time Management.

St. Cecilia's Public School, Vikaspuri organized a motivational and inspiring interactive session for class IX students to enthuse students with positive thoughts and energy. Academic supervisor Mr. A. K. Chawla shared his valuable vision with the young cecilians guiding them to march confidently in their journey of achieving success and fame.

The speaker for the day talked about value of time, time as a resource and time management. How a student can achieve success in his/her academic life? Resources and their utilization to achieve set goals and merits were also discussed with the students. The students shared their concerns and sought guidance from Mr. Chawla. The students learnt how to manage 24 hours for a fruitful outcome by learning the skills of time-management. Importance of academic excellence and achieving life skills for a fruitful life were also discussed with the students. Life examples of noble figures were also told to the students who succeeded due to time management.

The students appreciated the words of wisdom spoken by Sir. They applauded his guidance and suggestions that will help students sail smoothly through their student life. The interactive session with class IX students was a very worthy act to empower the stressed students.
