International Equanimity Olympiad

Living life with the skill of equanimity and even – sightedness means withholding mind in equanimous state under all circumstances through non- discriminatory intellect, hence seeing every one evenly and behaving strictly in accordance with gentlemanliness. To develop such precious virtues among the students, school is organizing '**2nd International Equanimity Olympiad – An Exam of Excellence in Humanity, Morality and Ethics**' for the students of Class **IX and X, on July 30th 2016**, in association with Satyug Darshan Trust, Faridabad.

The Olympiad is open for all the students of Class IX and X. **No fee will be charged for participation.**
