

# St. Cecilia's Public School

## National Astronomy Olympiad – Orange Education

To explore and unravel the mysteries of the universe, the school is organizing 'National Astronomy Olympiad – 2016', in association with Orange Education. Students of class **VI to X** can participate in the event. The participation fee is **Rs.160/-** per student and **Rs.80/-** for the study material (optional). The willing students must submit their names with the required fee to their class teachers latest by **July 30, 2016**.

- ❖ For any further queries, visit the website [www.nao.us.com](http://www.nao.us.com) or refer to the consent slip uploaded on the school website or contact undersigned.
- ❖ A minimum participation is required for conducting the Olympiad. In case, it is not achieved, fee will be refunded to the students.

**Ms. Mamta Marwah**  
(Olympiad Co-ordinator)
