For the kind attention of Parents

Dear Parents,

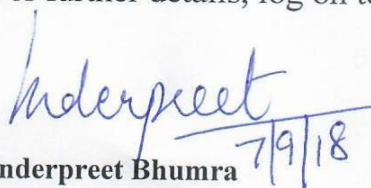

“It is our collective and individual responsibility to preserve and tend to the world in which we live.”

We all are aware of the increasing deterioration of our environment in the society. Pollution levels in Delhi have been rising to the extremely dangerous extent and to contribute our role in trying to curb this menace, Delhi Government has planned to conduct a Tree Plantation Drive on Saturday, 8th September, 2018.

People collectively need to take initiatives to improve the scenario and sensitize others towards the same cause. The message is being conveyed by our Honorable Chief Minister. It is an earnest request to all the parents and students to kindly participate whole heartedly in the same.

Let us all join hands in this noble endeavor and pave the way for a greener and cleaner Delhi.
