Subject: Let us join hands. Make this world a better place.

Dear Parents & Children,

“There is no exercise better for the heart than reaching down and lifting people up”

- John Holmes

We believe that work done for a noble cause is always the best. The Interact Club of the school has decided to venture on the path of donating valuable books and text books to the children who are underprivileged and needy. Since we know that education is the best tool for the development and enrichment of a child's knowledge, each student is requested to donate books. The number of books to be donated by each student should not exceed ten.

Kindly follow the below mentioned guidelines before donating:

- Registers, notebooks and used copies should not be donated as they will not prove to be of any use to the children.
- Reading books, story books, text books and reference books are expected from your side.
- They should be in good condition; pages should not be torn and/or missing.

The Teacher In-charges to be contacted for the same are Mrs. Mukta Kalra and Mrs. Kavita Prakash. The books can be donated within the time span of seven days, i.e. from 03.04.2019 to 10.04.2019. It's a kind request to all the parents and students to participate in this campaign and enlighten the lives of those who can be helped.

With Kind Regards,

Yours sincerely,

Inderpreet Bhumra
