Subject: Changes in Assessment of Class XII English Core (Code No. 301)

Dear Parents,

As per the guidelines from CBSE, Assessment of Speaking and Listening Skills (ASL) has been introduced in the subject English Core (301) in Class XII in the session 2019-2020. Important points to be noted in this regard are as follows:

- Theory examination of English Core will carry 80 marks and ASL will be of 20 marks; 10 marks to be allocated to Speaking and Listening skills each.
- It is mandatory for students to pass the theory and practical examination separately to clear the subject.
- It will be conducted twice in the year:
 - Before the Mid-Term Examination
 - Before the first Pre Board Examination
- Attendance is compulsory.

We hope that there will be a whole hearted cooperation and support from your side so that the students perform to the best of their potential.

With Kind Regards,

Pooja Sharma
