**Subject: Changes in Assessment of Class XII Mathematics (Code No. 041)**

Dear Parents,

As per the guidelines from CBSE Board Internal Assessment for 20 marks has been introduced in class XII Mathematics for the session 2019 -20. Each student must separately pass in 80 marks theory exam as well as 20 marks internal assessment.

Internal Assessment will be done as stated below:

1. Periodic test ( 10% weightage)
  - Three Periodic Tests will be conducted–Practice Test to be conducted in June (50marks) , Half yearly Exam/Mid Term Exam (80 marks) and Pre Board I Exam (80 marks)
  - Average of best two will be taken for calculation.
2. Maths Activities (10% weightage)
  - Activity file (5 marks)
  - Year End Activity Test (3 marks)
  - Viva (2 marks)

Attendance in all the examinations is compulsory.

We hope that there will be a whole hearted cooperation and support from your side so that the students perform to the best of their potential.

Note: For Maths Activities refer NCERT Lab manual which is available on the link:
