Dear Parents and students

I hope you all are in good health and safe at home during the difficult times of COVID 19. Though, the unlocking procedures of the nation are being taken up in full swing, yet with the onset of the festive season in our country, we all need to follow all advisories and precautions suggested by our government for the well being of all of us.

With the increase in the level of air pollution in Delhi, I request all to be extra cautious during COVID – 19 Pandemic times and follow the guidelines given by the government.

I earnestly request dear parents & students not to burn crackers during Deepawali festival. I hope that you all will join us in celebrating an Eco friendly –pollution free – no cracker Diwali lighted up with diyas and candles.

- Wear mask/face shield/cover your nose and mouth properly for safety.
- Avoid mass gatherings/market places/crowded places during festive season.
