**Subject: Commencement of Class XI Session 2020-21**

Dear Parents and Students,

I hope you and your family members are in good health and safe at home. I hope you all are adjusting well to the new temporary norm of staying safe at home. We must gather forces, muster our courage and with sheer determination forge ahead and live up to the core values we are committed to during this pandemic time.

I welcome all Class XI students to the new academic session that starts on 02.07.2020, which brings with it new challenges and joys of ONLINE/DIGITAL learning experiences. The global impact of Coronavirus has been immense and has affected educational institutes all over the world throwing education in a loop.

Truly, COVID-19 may have left us locked in our homes, but our determination and conviction to impart quality education to our dear students stands unparalleled and unquestioned.

As you can see, we are well equipped and prepared with revised teaching methodologies, updated curriculum. The teachers are working really hard, to reach you through well prepared materials for live teaching learning sessions.

Parents are requested to monitor their child's progress and make sure that she/he attends the online lectures & takes up the assignments on regular basis. Parents are further requested to instruct their ward to follow e-ettiquettes while attending real time live sessions and abstain from objectionable and inappropriate behaviour during online classes.

I wish you all good luck for your ward's awaited Result and also as you rise up to the challenges of these uncertain times.

With your cooperation and joint hard work, we can make this successful.

Regards,

**Mrs. Inderpreet Bhumra**  
**Principal (Acting)**  
**St. Cecilia's Public School**
