Subject: Selection of two levels of Mathematics for All India Secondary School Examination for the academic session 2020-21 in Class X

Dear Parent,

As per CBSE Circular F.1002/CBSE/Dir(Acad)/Mathematics/2019, CBSE had introduced two levels of examination in Mathematics for the students in Class X 2020 Examination. The name of the two Examinations are: **Mathematics Standard for the existing level of Examination and Mathematics- Basic for the easier level of examination.**

Kindly note the Basic level will be for students who are not keen to pursue Mathematics in Senior Secondary that is Class XI and XII. These students will not be eligible to pursue Mathematics in Classes XI and XII as per the Board guidelines.

The details of the scheme are as under :

- The two levels of Examinations will be held in the subject of Mathematics in the Board Examination for class X in the year 2021 and the same shall not be applicable to internal assessment in class X.
- There shall not be two levels of Assessment/Examination for class IX.
- The nomenclature for the two examinations will be Mathematics-Standard for existing level of examination and Mathematics-Basic for the easier level of examination.
- The syllabus, class room teaching and internal Assessment for both the level of examination would remain the same; so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board examination depending upon their aptitude and abilities.
- The standard level will be meant for students who wish to opt for Mathematics at Senior Secondary level and the Basic level would be for students not keen to pursue Mathematics at higher levels.
- A student will have the right to choose between the two levels of Examination in the List of candidates (LOC).

You are hereby requested to discuss the matter with your ward and fill the preference form accordingly and email the filled form on Class Teacher's email id positively by 5th September 2020.

Regards

Inderpreet Bhumra
Principal (Acting)
St. Cecilia's Public School
