

Ref. No. St.CPS/2021/22/CBSE REG./ 2

Dated: 28.06.2021

SUBJECT: INFORMATION REQUIRED FOR CLASS X CBSE BOARD EXAMINATION – 2021-22

Dear Parents,

You as well as your ward must be feeling happy that he / she will be appearing for Class X Board Examination in March 2022. Thereafter the C.B.S.E. shall issue Marksheet/ Certificate. Needless to say, these are very important documents useful throughout the life of your ward as this forms the basis for further studies. What matters most, is the correctness of the entries recorded in the documents issued by the C.B.S.E.

You are therefore requested to fill in the Proforma given below neatly and correctly. This will form the basis of information to be furnished to the C.B.S.E. in respect of your ward. This has to be taken seriously. Kindly take special care to write correct alphabets for Candidate's, Father's, Mother's Name and Date of Birth, etc. according to Class IX CBSE Registration Card.

This exercise is being done to eliminate chances of mistake, if any, in the C.B.S.E. Certificate. To get it rectified later on is an exercise full of unwanted hazards. Therefore, it will be in your own interest to fill the Proforma with utmost care and submit it by 05.07.2021 to your class teacher through email on the official email id along with the scanned documents.

Regards,

Principal (Acting)

**CLASS X – Section _____ PROFORMA
INFORMATION FOR C.B.S.E. RECORD - 2021-22**

Class & Section **Admn./ Code No.** **Admn. Date**

1. **C.B.S.E. Registration No. of Ninth Class** **Write SC/ST/OBC**
(Photocopy of registration card to be attached)

Circular

Date: 28.06.2021

Subject: Selection of two levels of Mathematics for All India Secondary School Examination for the academic session 2021-22 in Class X

Dear Parent,

As per CBSE Circular F.1002/CBSE/Dir (Acad)/Mathematics/2019, CBSE introduced two levels of examination in Mathematics for the students in Class X 2022 Examination. The name of the two Examinations are: **Mathematics Standard for the existing level of Examination and Mathematics- Basic for the easier level of examination.**

Kindly note Basic level will be for students who are not keen to pursue Mathematics in Senior Secondary that is Class XI and XII. However, students will not be eligible to pursue Mathematics in Classes XI and XII as per the Board guidelines.

The details of the scheme are as under :

- The two levels of Examinations will be held in the subject of Mathematics in the Board Examination for class X in the year 2022 and the same shall not be applicable to internal assessment in class X.
- There shall not be two levels of Assessment/Examination for class IX.
- The nomenclature for the two examinations will be Mathematics-Standard for existing level of examination and Mathematics-Basic for the easier level of examination.
- The syllabus, class room teaching and internal Assessment for both the level of examination would remain the same; so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board examination depending upon their aptitude and abilities.
- The standard level will be meant for students who wish to opt for Mathematics at Senior Secondary level and the Basic level would be for students not keen to pursue Mathematics at higher levels.
- A student will have the right to choose between the two levels of Examination in the List of candidates (LOC).

You are hereby requested to discuss the matter with your ward and fill the preference form accordingly and email the filled form on Class Teacher's official email id positively by 5th July 2021.

Regards

Principal (Acting)
