Subject: *Joy of Giving Campaign 2022 - Hope and happiness through your valuable support*

Dear Parent,

Mother Teresa has rightly said that “It's not how much we give but how much love we put into giving.”

St Cecilia's Public School's Interact Club under Rotary Club of Delhi South-West since 2013 strives to promote charity work and actively encourages Cecilian students to contribute to the community learning through the ethos of Engagement and Responsibility. The Interact Club witnessed the Installation Ceremony in the month of September 2022 wherein Teacher Incharges as well as students were pinned by Rotarians from the parent Rotary Club. The school pledged to participate actively in contributing to the less privileged. The students hence to develop a sense of responsibility through sharing, giving and caring.

Our school prides itself not only on academic success, but also on creating a school ethos with relationships and community at its heart. The whole school is involved, from Class I to XII with the support of parents and teachers in fruitful community charity. We do this as a community with the awareness of how fortunate we are in comparison to so many other people around the world; we know how important it is to care about others and do our best to help where we can.

The Interact Club of the school has been ceaselessly working towards charity programmes not only at a local level but also globally. The School Interact Club Incharges and student Interactors visited many organizations in need of support and donations in the last month. After detailed deliberations the following organizations have been shortlisted to be supported with donations and supplies.

1) **ARYA Gurukul Tihar Gram Orphanage** is working towards making the life of many orphans from the age group of 4 to 14 years worthy.

2) **Rashtriya Virja Nand Andh Kanya Vidyalaya (RVAK)** is constantly striving of achieving equality in education through innovation, access and lifelong learning for visually impaired girls who are precious to our world. They provide a home, free education, free food, lodging and care to the blind girls.

3) **Masoom Duniya (Innocent World Charitable Society)** is a Non-Government Organization working tirelessly for betterment and upliftment of the Special children suffering from Slow Learning, ADHD, Mental Retardation, Down Syndrome, Cerebral Palsy, Hearing and Speech Impairment.

4) **The Golden Stick, Old Age Home, Paschim Vihar** provides to the elderly people special care and attention especially when they have no one to look after them due to the breakdown of the classic Indian joint family.
