Subject: Strict adherence to students reporting time to school

Dear Parent,

As parents, you all aspire and dream of a successful life for your ward. For successful life, one of the biggest attributes is 'value of time. Punctuality is and has always been one of the greatest virtues of human kind.

It is being observed that few students are reporting to school after 8.30 a.m., which is affecting our teaching and student's confidence.

- Ensure that your ward reports to school before 8.30 a.m.
- School gates will close at 8.30 a.m. sharp. No student shall be permitted after the said time.
- Student entry will begin at 8.10 a.m. Keeping in view the safety and security of the students, do not drop your ward to school before 8.10 a.m.
- Parents are further advised and requested to maintain decorum of the school and not to indulge in any kind of altercation with the school staff.
- There is no provision of short day/half day for students. You are requested not to send such requests on any working day in the school, including U.T. and Exam days. In case of ill health, it is suggested that the child should take rest at home and rejoin school in better health condition.

The school always keeps the parents in high regards. We expect the same from the parents in return. Kindly be our partners in teaching the valuable lesson of punctuality to the students.

With kind regards,

Inderpreet Bhumra
Principal
