Subject: Advisory

Dear Parents,

School has become operational for offline classes after a gap of two years. Students have started coming to school and are enjoying the teaching learning sessions in the school. It is being observed that all classes starting from Nursery till XII are going smooth in the school. Physical interaction between the student and teacher is significant for the all round development of the students.

Corona pandemic is under control as per the guidelines of Govt. of Delhi. But the situation may get complex if adequate precautions are not undertaken by the students as well as parents. Kindly note the following guidelines.

Guidelines For Students

1. Students must wear masks in proper manner, all the time.
2. Two masks should be carried in school bag, in case you lose one of them, you can wear the other.
3. Students should not share their food, stationary & any other items, with their classmates.
4. Students must maintain physical distance in all settings.
5. Despite the fact that school building is well equipped with touch – less sanitizers, students must carry a bottle of hand sanitizer. Also, students should carry sanitizers in the form of gel & not spray, as the latter ones can irritate their eyes if mishandled.
6. Carry your school bag as per the Time Table issued by the teachers.

Guidelines For Parents:

1. Parents must wear mask when visiting school.
2. To avoid overcrowding at school gates, ensure students report to school between 8:10 a.m. to 8:30 a.m.
3. Parents must stand in a queue & ensure social distancing, while picking up their ward from school.
4. As role models for the next generation, parents are requested to be patient, polite, formally dressed, whenever visiting the school.

You are requested to follow the guidelines and counsel your ward to follow the same to maintain the continuity of offline classes in school without any break due to Corona Pandemic.
