Circular

Date: 11.05.2022

Dear Parent and students,

The academic session 2022-23 has begun in full swing and students are connected well with the teachers in offline mode as teaching learning process resumed to normal. All children eagerly await summer vacation time to relax and rejuvenate enjoying a break from school routine. The summer vacation begins as per the schedule below:

SUMMER BREAK SCHEDULE 2022

CLASS	SUMMER BREAK	REOPENING DATE
Nursery	14 th May - 6 th July	7 th July
Prep	14 th May - 5 th July	6 th July
I	13 th May - 6 th July	7 th July
II	13 th May - 5 th July	6 th July
III-V	13 th May - 4 th July	5 th July
VI-VIII	13 th May - 2 nd July	4 th July
IX-X	21 st May - 1 st July	2 nd July
XII	27 th May - 1 st July	2 nd July
XI	Session begins from 4 th July 2022	

To ensure that the children have a constructive holiday, Holiday Homework & Projects are given which will keep the child active and observant. These projects can easily be done by the children and parents can assist them if required.

Summer Break is also the time of the year again when we can do things which we are unable to do during the regular routine days.

- Read books! May it be fables, fairy tales, encyclopedia, biographies or comic books. Explore the imaginative world and go on a fantasy tour.
- Run, exercise, sweat! Channelize your energy and enjoy playing indoor games. Practice yoga for good health!
- Develop and enhance new skills by progressing in various fields of academic as well as co-scholastic areas.
- You can chisel your mathematical aptitude by learning fast calculations. Abacus, Vedic Maths, Mental Maths, etc.
- Scientific temperament through experimental learning at home, innovative expression through project work or models must be enhanced during summer break.

(2)

- Enhance your communication skills by conversing with your friends and family in English.
- Explore the culture and heritage of the world by visiting heritage sites physically/virtually. Download the app 'Google Earth' and enjoy virtual tours around the world.
- Practice makes a man perfect is a famous quote: Revise and recapitulate the syllabus covered by your teachers in various subjects to excel in all the subjects. Also, dive into the world of knowledge for attaining perfection.
- Students of Classes IX, X and XII must prepare well for their Periodic Test 1 and Practice Test exam to be held immediately after the summer break.
- Lastly, you must learn something new to add to your skill set. You may even learn to play a musical instrument, making an app, coding, drama, singing, etc as per your liking.

I hope that the students will rejoin school after the summer break with new vigour and zeal to excel in academic and co scholastic areas. I seek parent's cooperation and constant watch for the holistic development of their wards.

Regards

PRINCIPAL
