Subject: Parents Handbook of Careers after School in India.

Dear Parent,

Career choice is one of the most important milestones in a student's life. Today with a wider choice and an ever increasing competition, students need to plan their career wisely and at the earliest. Parents serve as a major influence in their children's career decision-making. In view of this, CBSE has provided a link for PARENTS HANDBOOK OF CAREERS AFTER SCHOOL IN INDIA. This handbook contains detailed and relevant career information for students. The link for downloading the handbook is given below. You are requested to download the handbook and help your child in choosing the right career path.
