*Cecilian's Organizing "ODYSSEY 2022"  
An Inter School Competition to mark the grand  
celebration of the 75<sup>th</sup> Year of Independence*

Dear Parents,

Greetings from St. Cecilia's Public School!

Growth of human mind is the ultimate ambition of life on this planet. It is the enhancement of varied skills and passions that lead to great discoveries, inventions and milestones in multiple fields.

Competitions lead to better collaboration wherein students work towards a common goal to reach new benchmarks of enriched learning through constructive exchange of ideas and knowledge. Events of such magnitude create a sense of belongingness, mutual understanding and bonding.

The planning, implementation and execution of the competition stimulates enthusiasm and love for learning with an engaging and challenging educative experience as students are exposed to numerous competitors from different schools. The competition at this large a scale definitely develops the confidence and exposure of meeting new challenges as well as empowerment of students in handling the competitive nudge.

Thus, to celebrate the spirit of growth and learning in the 75<sup>th</sup> year of Independence, we are organizing Inter school Competition Odyssey 2022 on 6<sup>th</sup> August 2022 wherein around 50 schools from across Delhi are participating in the event with an overwhelming number of around 600 participants.
