Dear Parents,

A School is rightly called to be the sacred institution where a child's overall holistic development takes place. Under the guidance of teachers, healthy seeds of moral values, correct behaviour and infinite knowledge are sown in the minds of children. The session 2022-23 witnessed whole-hearted dedication and earnestness on the part of teachers and students. At the end of the year, students are more confident, more knowledgeable and more aware about their surroundings. With your sincere cooperation and support, we wish to continue to take forward the legacy of grooming our students in an environment which is healthy, harmonious and cordial.
