Subject: Customised Special Academic Classes and Sports Coaching on Saturdays.

Dear Parents,

Welcome to the new academic session.

The school persistently aspires for the progress of each student in both academic and co-curricular learning. In the new session, customised and student specific special academic teaching classes are conducted for the students on Saturdays (except Second Saturday) of every month.

These additional classes provide a more focussed way of learning for students as they pave the way towards better academic performance. Special academic classes as well as sports coaching are meticulously conducted on Saturday.

We are thankful to all parents for their support and co-operation. We look forward to 100% attendance and regularity so that maximum students benefit from these classes as informed by the respective teachers from time to time.

We wish success to all Cecilians for their commendable perseverance and hard work, hoping that more enthusiastic attendance will be achieved in future to make the endeavour of Special academic classes and sports coaching on 'Saturday' a success.

Ms. Pooja Sharma
Co-ordinator (Senior Wing)
