Subject : Installation of Interactive Touch Panels in Classrooms.

Dear Parents,

Welcome to the new academic session 2025-26. The school management continuously strives to imbibe global educational, infrastructural and digital standards for progressive holistic education in the comfort of air conditioned school. We extend our gratitude to all stakeholders and parents for their constant support to our endeavours.

We are delighted to inform you that the school has achieved a new milestone and upgraded the existing Digital Smart Boards with **Interactive Touch Panels** to enhance the learning experience for our students. These state-of-the-art panels will provide a more dynamic and engaging environment for both teachers and students, fostering greater participation and interactivity. The students will benefit from the conducive interactive teaching learning process in the comfort of air conditioning. The key features of the ITP are: **Interactive Learning, Multimedia Integration, Real-time Feedback, Collaborative Tools, Good visibility and Clarity.**

We believe this initiative will not only improve learning outcomes but also help prepare our students for a future where technology plays an essential role in all aspects of life.

We believe this digital advancement will delight all stakeholders, parents, staff members and students. We thank you for your continuous support in enhancing the educational experience of the students which aims at the holistic development of the students.

Warm regards,

Inderpreet Bhumra
Principal
