Subject : Class IV & V-Newspaper Subscription

Newspapers are a valuable source of knowledge and information that contribute significantly to the intellectual growth of students. Regular reading broadens general awareness while strengthening vocabulary, reading skills, and clarity of expression.

Newspapers are carefully curated to nurture scientific outlook, critical and logical reasoning, and numerical aptitude from an early stage. Developing the habit of reading newspapers on a daily basis is, therefore, highly beneficial and recommended for students.

Parents are requested to facilitate this practice by subscribing for newspaper. Such subscriptions also offer avenues for participation in workshops, co-curricular activities, educational visits, access to sample questions, competitions and opportunities for showcasing students' original work.

Students must deposit ₹330/- for 6 months subscription to their respective class teacher by 28.04.2026.
