Dear Parents,

The school continuously strives for excellence and progress. It is a matter of pride as the school has joined hands with Cambridge English Language Assessment – a part of University of Cambridge.

We appreciate the overwhelming response of parents in joining hands in our endeavour to introduce Cambridge English Languages Assessment to enhance the language skills of our students in accordance to contemporary times.

The last date of submission of fees is 22.08.17. The fees can be paid in cash/ cheque (to be in favour of St. Cecilia's Public School). Fees can be sent by the child or paid by the parent at School Fee Counter. The fee is inclusive of study booklet and examination charges of Cambridge English Language Assessment.

Your support and co-operation enables the school to achieve new milestones for the holistic growth of our children in ever changing times by introducing programme of International Standard.

Incase for further queries, kindly call at reception for Ms. Pooja Sharma (PGT English) / Ms. Priyanka Sharma (TGT English).

With kind regards,

Yours sincerely,

Rbhumra

Circular for Parents

Dear Parents,

You will be happy to know that in order to provide an understanding of International English Language and to help our students prepare for the global world we are taking this great opportunity to introduce International English Language Tests for students of all classes from the **Cambridge English language Assessments** in coordination with **British Council**.

In today's world, learning English is vital skills that will help our children achieve their full potential in later life. The sooner they start learning, the better — with the right methods; children can learn English quickly, effectively and enjoyably. Once they have this initial grasp of English in primary school, they will have a strong foundation which will be an advantage in their later studies. So that children learn to read, write, speak and listen with assurance and get benchmarked to global levels (e.g. CEFR – Common European Framework of Reference for Language).

When children learn English, it is important that they learn English which is practical and useful. It is important that they learn to speak good English and that they work towards international standards that will prepare them for **study abroad, or the international world of work**. Children who learn English when they are young will have an advantage that will stay with them all their life. The tests are designed to be fun for the young students and stimulating for the older students

The test will be administered during school hours in the school premises. As part of the fee, each child will receive a sample paper booklet to provide an understanding about the test.

Please find enclosed an information flyer which provides some more details about the tests.

You are requested to kindly complete and send the confirmation slip along with the applicable fee to the class teacher.
