Activity: Science Doodle

Date: 21 November 2024

Participants: Students of class 6, 7 and 8

The Scientia Club conducted an activity, "Science Doodle", for students of classes VI, VII and VIII. Topic was "Touching Lives while Touching the Moon: India's Space Saga".

The event aimed to integrate art and science, promoting creativity and learning among students. It inspired students to think creatively about the impact of space exploration on humanity, while showcasing their artistic skills. This activity encouraged creativity, critical thinking and self expression while fostering a deeper understanding of the benefits and challenges associated with space exploration.
