

St. Cecilia's Public School
Anti Tobacco Day
Middle Wing

World No Tobacco Day (observed annually on May 31) was observed in the school campus to raise awareness on the harmful and deadly effects of tobacco use to discourage the use of tobacco in any form.

Poster making and slogan writing competition was organized by the school. The topics for all the competitions were "Anti Tobacco Awareness". All the students participated with full zeal. The pledge ceremony was also taken by students. They vowed never to smoke and consume any type of tobacco product in their lives.
