

St. Cecilia's Public School Christmas Celebrations

With much enthusiasm and excitement, the middle wing organized the celebrations on the occasion of Christmas and it truly turned out to be a grand success. Children's active participation in the activities planned and their excitement and enthusiasm filled a vibrant energy in all. It was a wonderful celebration organized under the guidance of respected Co-ordinator- Ms. Aarti Parab.

We marked the beginning of the day with an amazing virtual assembly by class VII-A. Students as well as the teachers enjoyed the assembly and the excitement level of the children was at peak. This was followed by Principal mam's address to the students, guiding students to follow the path shown by Jesus Christ and inculcating the values he taught into our everyday lives. With the objective that activities nurture the creativity of students, the middle wing planned a card making activity on the special occasion. Students presented beautiful pieces of art work and with great excitement got themselves clicked with the same. Last but not the least, was the virtual movie presentation about the birth of Jesus Christ. This saw much enthusiasm and excitement among children. The pandemic situation in no way lessened the spirit of celebration and the students participated in full swing.
