“Moral values guide an individual to differentiate between right and wrong. Religion, culture, community, family, and laws provide a basis to form one's moral values. However, an individual's understanding of righteousness and virtues also play a critical role in defining his/her success in life”

With this thought, the youngest Cecilians of Class I presented the extravagant larger than life “Cultural Fest – Timeless Treasures: Our values 2022” on 3rd December 2022 to uphold the school motto “Education for Knowledge, Wisdom, Character and Courage.” The occasion was graced by the august presence of Madam Manager Mrs R Bhumra, Madam Principal, Pre Primary Wing Headmistress, Academic Supervisor (Class I and II) and Coordinators of the Primary, Middle and Senior wing.
