"Every child is a different kind of flower and all together makes this world a beautiful garden."

Children's Day is celebrated to cherish the buoyant free spirit of childhood. With the same thought, our young Cecilians recently celebrated a blissful Children's Day on November 12, 2021 through online platform with great vigor and gaiety.

The day focused on children and their enjoyment. The day commemorated with immense joy, enthusiasm and magnificence. The celebrations began with the Morning Prayer, followed by an informative movie on our first Prime Minister of India Pt. Jawaharlal Nehru lovingly called as Chacha Nehru by all, showcasing his achievements and his contribution to our country. The teachers involved the tiny tots into craft activity to make Rose flowers which Nehru ji was fond of and the elated students danced on beautiful songs in the Class.

Indeed, it was a fun-filled day for the Cecilians which would always be cherished as a fond memory.
