

St. Cecilia's Public School
Christmas Celebration
December 24, 2020
Primary Wing

Christmas is a festival which is cherished by people from all faiths and religions across the globe. It reminds us of the importance of sharing, exchanging gifts and living in peace and harmony with our family and friends..Every year Christmas is celebrated on 25th December to commemorate the birth anniversary of Jesus Christ- the Messiah of God. This festival is celebrated with great joy and zeal by Christians. Our school also celebrated Christmas online. The event began with the teachers briefing the students about this festival. This was followed by a beautiful prayer presented by our melodious music teachers. Madam Principal addressed the students and teachers with her words of wisdom.

The event comprised of various activities such as making of hollyhock leaves, stockings, bells, candles, decorating Christmas trees, singing carols, performing dance and various skits, drawing and colouring X-mas tree, narration of parables and stories based on Christ and his teachings. Some were dressed as Santa Claus and Jesus.

Geekoz IT Club organized various competitions related to Christmas in the primary wing that ranged from making , making a video of poem recital , speaking a few lines on Jesus and Christmas, making a poster in MS Word/ Google docs about Christ's teachings. The response was overwhelming, Students were very creative.

The programme concluded with the most famous carol 'Jingle Bells to which the students danced.

Christmas clearly conveys a message to us - the importance of giving and sharing with friends and family. Christmas is such a festival which people from all religions and faith celebrate worldwide despite it being a Christian festival. It is the essence of this festival which unites the people so much. The students were more than excited to participate in the various activities, They exhibited their talent and creativity and participated whole –heartedly with zeal and enthusiasm.

The celebration was thoroughly enjoyed by the students and teachers alike.
