Geekoz IT-CLUB is the aims at enhancing the technological skills of the students along with spreading awareness among them. The competitions held in January 2022 aim at inculcating patriotic values in our students. In the month of January 2022 for classes IX to XII a **power point/video presentation competition** was conducted on the topics:

1. Inspiring story of a martyred Indian soldier.
2. An indigenously made Indian warship/weapon.
3. Tourist destinations in North east Indian state.
4. Cuisines of South Indian state.
5. Dance forms and musical instruments of any Western state.

Students participated enthusiastically and presented on all the topics. The activity not only served as a great learning activity but helped in developing pride for the country's vast diversity and valour of our armed forces.

Students participated with enthusiasm and enjoyed a lot. IT Club team made a video presentation of the submissions and was presented to all the students of the senior wing in the class teacher sessions. The presentations and videos were innovative, bringing in the creativity of the students. Principal Madam encouraged the students to actively participate in such competitions and enhance their skills.
