

St. Cecilia's Public School
Diwali And Children's Day Celebrations
Primary Wing
November 12, 2020, Thursday

Come October and we feel the breeze of festivals in the air.

Diwali also known as Deepawali means rows of lighted lamps. It is a festival of lights and is celebrated by all with joy .

Children's Day mark the birthday of our first Prime Minister, Pandit Jawahar Lal Nehru. It is celebrated every year on 14 November as he loved children.

Our school also had online Diwali and Children's Day celebration in the primary wing. The function / event began with a soulful/ soul-stirring prayer by our music teacher followed by an enlightening speech by Madam Principal.

Children were sensitized about the need and importance of cracker free and eco friendly Diwali in the form of valuable messages posted in the class group by Eco Club.

Ramayana quiz was conducted and the students responded enthusiastically. Then the students came up with their work which ranged from express yourself, role play, a small skit, presentations, poetry recitation, bhajans etc. The presentations made by students emphasized on no cracker and eco friendly Diwali.

Art and craft activities included the making of anti- cracker Diwali posters, rangoli, pictures and sketches on Diwali and cartoon characters ,diya decoration, paper lanterns, torans or bandhanwars.

They enjoyed the event by singing and dancing to the foot-tapping numbers.

One thing that all the students understood and pledged was that they would not burst crackers at all.

Such activities ensure 100% participation of the students enhancing their oratory skills as well as self confidence. It was amazing to see students appropriately dressed for the event. Children participated with full zeal and enthusiasm. On the whole it was an enriching and fulfilling experience .
