

**St. Cecilia's Public School**  
**School Assembly**  
**Class IX-D**  
**Theme: Earth Day Celebrations**

Students of 9D presented an assembly on “Earth Day” to educate fellow students on the importance of sustainable development and taking care of our planet. Emphasis was laid on the global themes for Earth Day – End of all types of air, water, soil, noise, plastic pollution, global warming, ozone layer depletion etc.

Madam Principal graced the occasion and applauded the sincere efforts of students for putting up a great show. Madam also laid stress on the need of awareness to SAVE OUR PLANET through eco friendly actions and promotion of a GREEN and HEALTHY EARTH.
