

ST. CECILIA'S PUBLIC SCHOOL
NATIONAL EDUCATION DAY

*"The mind once enlightened
Cannot again become dark"*

Education is the most powerful weapon which one can use to change the world. Education is not preparation for life; education is life itself.

11th November every year is celebrated as National Education Day to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first education minister of Independent India.

To remember Maulana Azad's contribution in laying the foundations of education system in India to make the students understand the significance of education in one's life, the school endeavored to organize Essay Writing Competition on the topic: **"Traditional Education vs. Online Education"**

Students participated wholeheartedly and were made aware of the role and importance of education by their respective teachers.
