

St. Cecilia's Public School  
Celebration of father's day (June 18, 2021)  
"A father doesn't tell you that he loves you; he shows you"

The tiny tots of St. Cecilia's celebrated the selfless love of their Father's on June 18, 2021. Rejoicing this precious bond, the little Cecilians happily prepared a neck tie with paper tearing and pasting technique through a special activity **"Decorating a tie for Dad"**.

With great enthusiasm and zeal, they beautified the tie with stickers of stars and smiles and different emojis. Students were told to keep this as a secret gift for their Father's and surprise him on Sunday i.e. June 20, 2021. The students were also guided to make a lemonade or a card to surprise their dad.

The students understood that one day in a calendar is not enough to express love for their loved ones yet they all were very excited to keep this as a secret and share everything on Sunday and clicked beautiful photographs with their father's.
