

**St. Cecilia's Public School
Father's Day Celebration
Primary Wing**

Date: May 12, 2023

Fathers are the pillars of strength and foundations of wisdom in our lives. So thank and celebrate Father's Day.

Every year Father's Day falls on the third Sunday of June. Father's Day is a day of honouring fatherhood and paternal bonds as well as the influence of fathers in society. To express their love, respect and gratitude towards their father a number of activities were conducted. Students were really excited and happy while doing the activity and every one participated with lot of zeal and it showed up in their activity too.

The underlying thought behind this activity was to portray their father as a hero and to present him a trophy of love and thanks for everything.

Students used paper cutting technique and innovatively used props and colours and wrote wonderful quotations making the final product look spectacular.

Class I Badge-making activity

Class II Shirt-making activity

Class III Flower cut-out activity

Class IV & V Bow and tie

It was an interactive and enthralling session.
