

St. Cecilia's Public School
Felicitation Ceremony for Class X Students (Session 2025–26)

The felicitation ceremony for Class X students of session 2025–26 was conducted to acknowledge and celebrate their academic achievements in the board examinations on 28 April 2026.

The program witnessed the presence of Respected Madam Principal, Academic Advisor Sir, Senior wing Coordinator and the School Counsellor.

The ceremony commenced with a discussion on the board results, highlighting the commendable performance of the students. Madam Principal took the initiative to formally congratulate the students for achieving a 100% result, appreciating their dedication and hard work throughout the academic session.

Special recognition was given to the academic toppers, along with students who excelled as meritorious achievers and subject-wise toppers.

The environment during the ceremony was filled with a sense of pride, joy, and accomplishment. Students' efforts were acknowledged, reinforcing the importance of perseverance and commitment.

Madam Principal also shared valuable insights with the students, emphasizing the importance of maintaining a positive approach, staying grounded, and practising humility even in success. Ma'am 's address encouraged students to continue striving for excellence while remaining disciplined and focused.

Academic Advisor Sir shared thoughtful reflections through a poem, highlighting the significance of time management, consistent effort, and the role of hard work as the key to success.

The Senior wing Coordinator addressed the students and emphasized the importance of:

- Following discipline in life
- Avoiding distractions
- Managing time effectively
- Adopting a strategic and focused approach towards goals

The school counsellor further guided the students to pause and reflect on their academic journey. Students were encouraged to think about their expectations, challenges, and efforts—including their day-and-night dedication—and to overcome self-doubt. They were advised to make informed decisions while choosing their career paths. The counsellor also stressed on the importance of developing analytical thinking, curiosity, and clarity.

The Felicitation Ceremony was a meaningful and motivating event that not only celebrated the academic success of the students but also instilled in them the values of discipline, humility, and thoughtful decision-making.

The guidance provided by the Principal, Academic Advisor Sir, Coordinator Mam, and School Counsellor equipped students with the right perspective to move forward confidently in their academic and career journeys.
