The main objective of the competition was to foster creativity and technical skills among students from classes 1 to 5. The competition aimed to provide students with a platform to explore and enhance their artistic abilities using digital tools like Tux-Paint, Paint-3D, and PowerPoint.

In February 2025 Geekoz IT Club organized various competitions for all the classes namely tux-paint competition, cover page designing and presentation making in Power Point competition for primary classes. In Tux Paint students created imaginative and colorful drawings of their dream forest. In Paint-3D their skills to convey powerful messages through digital art were commendable. In PowerPoint students created informative and visually appealing PowerPoint presentations on Indian festivals. Students showed a lot of enthusiasm during these competitions.

School principal Ms. Inderpreet Bhumra awarded the winners with medals and certificates.
