

St. Cecilia's Public School
Visit to Gurdwara Rakab ganj Sahib Ji
Classes IV & V

St. Cecilia's Public School organized a visit to Gurdwara Rakab Ganj Sahib on 27th and 28th September, 2022 for Classes IV and V, respectively. It was planned as per the invitation received from International Centre for Sikh Studies. Respected Madam Principal showed keen interest in the same and hence, scheduled the visit on two days.

Huge participation of students was seen on both the days. They had reached school on time and buses were already arranged for commuting. Students and the accompanying teacher in-charges were directed to the auditorium upon their arrival at the gurdwara. Everybody watched the Holographic movie based on the teachings and sacrifices made by different Sikh gurus. It was found enthralling by the viewers. Thereafter, students paid their respect to the place of worship while listening to the spiritual shabads which had a calming effect on all. Subsequently, everyone proceeded towards the Langar hall for the 'langar prasad' and refreshment.

It was truly an educative and memorable experience for teachers and students to get familiar with an aspect of Sikh culture and history. Everyone felt blessed to have been a part of the delightful visit.
