

St. Cecilia's Public School
Lemonade party & class party
Pre-primary (April 30, 2021)

The last day before the vacation for the Cecilian toddlers was not less than a Party. To beat the scorching heat of the sun, 'Lemonade Party' was organised for the students of Nursery and Prep in St. Cecilia's Public School. The children were demonstrated how to prepare "Lemonade" by stirring sugar in the water and then squeezing lemon into it. To enhance the taste, salt or black salt were also added into it. Later on, this instant and healthy lemon water was relished by all the children and staff members. Toddlers loved and enjoyed this learning by heart. The idea behind this activity was to make the little ones understand the importance of drinking lemonade in summers rather than other beverages available in the market. Various other activities were also organised to make the last day more significant and meaningful like Abra-ka-Dabra wherein students were given tips on how to play some simple tricks of Science; Art and Craft teachers organised Tadpole making activity using the technique of Paper-Folding and last in the thread of activities were organised by Dancing and Singing Teachers that helped all the children to have a gala time on the last day before their vacation.
