## Lohri, Pongal and Makar Sankranti Celebration

### Junior Wing

*"Festivals are the binding factors that link all religions and regions of the country, redefining their unity and secularity in the modern age."*

To make the kids aware about our rich Indian culture and tradition, the tiny-tots of St. Cecilia's Public School Junior Wing celebrated the festival of New Year called Lohri, Makar Sankranti and Pongal. They celebrated the harvest festival with a lot of exuberance and fanfare. The celebrations started with prayers commemorating the pious festival. Students were dressed in traditional clothes to celebrate the occasion. Children exhibited their enthusiasm by participating in a plethora of activities – craft work, songs and dances. The students were shown movies to apprise the significance of the festival.

This was followed by bhangra and the celebrations ended with happiness all around.
