Map Activity

Date: 4.2.25

Grade: 4 and 5

A map - filling activity was conducted for students of 4th and 5th grade to enhance their knowledge of states and capitals. The objective was to improve their geographical awareness, memory and interest in learning through an interactive approach. The children of class four identified the states and capitals on the political map of India and coloured them. On the other hand the students of class five marked and coloured the capitals of the European countries. The activity successfully reinforced student's knowledge of states and capitals. It encouraged participation, teamwork and a fun learning experience. Students were highly engaged and enjoyed the activity.
