

St. Cecilia's Public School NPL visit 2019

Its a matter of pride our 27 students of XI Science along with two teachers have got the opportunity to visit National Physical Laboratory Pusa road Delhi. Students have been demonstrated various experiments, Apparatus and other instruments used in different Scientific measurements/ Techniques. All students were taken to meteorology lab where they got the answers/ visualization of various measuring standards. We were guided by a Ph.D. scholar per suing Ph.D. on Quantum Computing. Everything has been explained by Junior Scientists in simple terms. Students get breakfast & Caps provided by N.P.L. Overall the visit was fruitful.
