

St. Cecilia's Public School New Year Celebration Junior Wing

May the New Year bring you peace, joy, and happiness!

Each year, around the globe, New Year's Day is celebrated with great fervour and merry-making. A new year marks a new beginning, giving us a message to leave behind the past and work towards a better tomorrow. Keeping this in mind, St. Cecilia's Public School Junior Wing had conducted New Year Celebration for its students to provide them with an opportunity to reflect on the best thing about the year 2021 and sharing plans and aspirations for the year 2022. Students enjoyed every bit of the celebration while eating snacks, they presented enchanting performances like dancing and singing. The celebration ended with a message that we will make this planet a better place to live by being a better version of ourselves.
