

St. Cecilia's Public School
2019-20
Orientation Programme – Class IX
“Shaping the wings for a high soar”

St. Cecilia's Public School at the onset of new academic session 2019-20 conducted the orientation programme for parents of class IX on 6th April 2019 in the school hall. The orientation was conducted in two time slots for effective interaction and coherent communication with the parents.

Madam coordinator Ms Pooja Sharma welcomed the parents and made the parents aware regarding the school infrastructure, use of digital technology, smartclass interactive boards, disciplined related rules and regulations of school, code of conduct pertaining to class IX and various other child welfare areas. The powerpoint presentation shown to the parents updated them regarding exam pattern, weightage, scoring good grades in co-curricular activities as well as academics.

School Counsellor Ms. Neha Vohra took up a session on adolescent issues, behavioral changes and social media videos about the role of parent in a child's life were also shown to the gathering. The orientation programme led to an interaction between the parents and subject teachers.

The orientation programme achieved its purpose to make parents aware about class IX academic pattern, examinations, concerns related to adolescents and the necessity to deal with sensitivity for the welfare of the children.
