

St. Cecilia's Public School

MASS PLANTATION DRIVE ON 9TH AUGUST, 2019

VAN MAHOTSAV

In pursuance of the D.O. No.40-15(5)/Plantation/2018-19/SCB/636 dated 6th August, 2019 of the Joint Secretary, Government of India, GNCT Delhi, SCIENCE AND TV BRANCH, New Delhi-110024, A number of sampling of a variety of plants such as rose, neem, peepal and many other were planted in the premises of St. Cecilia's Public School, F-Block, Vikaspuri, New Delhi, under the guidelines issued by the directorate of Education. The plantation drive was an activity undertaken by the students of classes VI to XII and all the students who took part in the drive were made aware about the importance of the vegetation around us and the importance of planting more trees. As a result of this plantation drive 20 trees and 50 shrubs were planted in the school premises.

Active participation was also marked by the school Principal Ms. Inderpreet Bhumra and the Eco Club Incharges who provided a good supervision and also lent their helping hands in making the plantation drive a success and making the upcoming youth realize the importance of saving Earth and having a Clean Environment.

With the growing concerns of environmental damage it becomes the responsibility of each and every one of us who presides and has taken shelter in the mother Earth to respect, protect and preserve her.

That is why it is rightly said: **PLANT TREES SAVE MOTHER EARTH!**
